

## HP Planet Partners Recycling Update

Questions or need help ordering recycling materials? Call HP Planet Partners at 1-800-340-2445, from 5am-5pm PST.

Looking to reduce your environmental impact of printing? Here's how you can recycle HP ink or toner cartridges and Samsung toner cartridges with HP Planet Partners.

### Toner recycling services

1. Use the free shipping label enclosed in every new box of HP toner (except A3 toner) that can be used to recycle one cartridge or a box of cartridges. If you have Samsung toner cartridges, you can drop them in this box too.
2. Drop off used HP or Samsung toner cartridges at any Staples store.
3. Order free recycling boxes at [hp.com/recycle](http://hp.com/recycle) which include a free shipping label – this is the best solution for A3 toner.

### Ink recycling services

1. Drop off used HP ink cartridges at any Staples, Office Depot, Best Buy or Walmart store for free recycling.
2. Order a free recycling envelope for home office ink cartridges.
3. Order a free recycling box (best solution for large HP PageWide cartridges).

### Pallet recycling services

1. Order a pallet pickup at [www.hp.com/go/palletrecycling](http://www.hp.com/go/palletrecycling). In addition, you can contact: [hp.palletrequest@yaengage.com](mailto:hp.palletrequest@yaengage.com) for assistance
